Step 1 - Inquiry

Start by filling out the questionnaire on our website under the request a quote tab! We'll be in touch shortly after you've submitted it. We want to answer any and all questions you may have while also gathering as much information that we can about your event!

Step 2 - Quote & Invoice

We'll send over your package proposal based on all the information we discussed. You'll review it and when approved we send over a contract. Step 3 - Menu Consultation & Ordering Guide

After all the paperwork is done we get to have fun! We'll work to create a custom menu for your event. Once your menu is finalized you'll receive an alcohol buying guide of everything you'll need to purchase.

Step 4 - Prep

Your event is right around the corner! The remaining balance is due one week before your event. We start preparing by ensuring all items are stocked, mixes are ready to be made, and garnishes are ready to be cut.
